

# JTCONNECT AT CBI

**NEW!** Weekly program for teens in grades 8th-12th

## Choose What Interests You!

Explore and debate all aspects of Judaism with compelling educators in innovative elective classes. From Cooking Through the Torah to Medical Ethics, there's something for everyone!

## Put Jewish Values to Action!

Once a month we come together to make a difference for others. By working directly with people or communities in need, we will actively take part in the mitzvah of Tikkun Olam - Repairing the World.

## Work in YEP!

Teens have the opportunity to work in YEP as teacher's aides before the teen program. 8th-9th graders can volunteer and 10th-12th can be a madrich/a!

## Hang with your Friends!

Be a part of a Jewish teen community! Every week we will eat lunch together as a group with WHTY and have time to socialize.
